Dear Sir:

Applicants respectfully petition and request that the Notice of Allowance apparently mailed on October 11, 2005 be vacated and remailed. The original Notice of Allowance was never received. Pursuant to MPEP 711.03(c)(I)(a), the undersigned is a practitioner and hereby states that the original Notice of Allowance was not received and a search of the file jacket and docket records indicates that the Office communication was not received. A true copy of the docket record where the non-

received Office Communication would have been entered had it been received and docketed is attached hereto.

The undersigned became aware of the possibility that a Notice of Allowance had been mailed when speaking to the Examiner in charge of this case on February 28, 2006 concerning an IDS which had been filed. A review of the image file wrapper indicates that the Notice of Allowance was mailed on October 11, 2005 but such Notice of Allowance was never received by the undersigned.

In light of the foregoing, it is respectfully submitted that the original Notice of Allowance mailing be vacated and a new Notice of Allowance issued.

Dated: March 15, 2006

Respectfully submitted,

By Edward A. Meilman
